

Application: CTP-26-0000000001

Nicole Wilson - nicole@umdf.org
2026 Mitochondrial Medicine Pathway for Advanced Clinical Training (M-PACT) Grant

Summary

ID: CTP-26-0000000001

2026 Mitochondrial Medicine Pathway for Advanced Clinical Training (M-PACT) Grant

Incomplete

The applicant should complete this grant application following the directions provided for each section. Please direct any questions to grants@umdf.org.

Mitochondrial Medicine Pathway for Advanced Clinical Training (M-PACT) Proposal

A. Applicant

Applicant Name	(No response)
Academic Title(s) (MD or equivalent, e.g., DO, MBBS)	(No response)
Training Level	(No response)
Enrolled in an accredited training program?	(No response)
Training program field of study	(No response)

B. Sponsoring Institution

Institution	(No response)
Department	(No response)

D. Statement of Interest

Please describe your interest in mitochondrial medicine and how you hope to contribute to the space in the future.

(250 words maximum)

(No response)

E. Clinical Training Plan

Briefly describe how you will work within your current institution and, concurrently with neurology, genetics, or other formal training programs, receive mentor-guided training in mitochondrial medicine in a clinical setting.

Examples of training include seeing mitochondrial disease patients in clinic as well as attendance at mitochondrial medicine-focused lectures, seminars, rounds, and conferences.

Please be as specific as possible.

(250 words maximum)

(No response)
